### **Report on the 25-Year Reunion Visit of BIS Batch of 1999 to College**

**[28 September 2024]**

On 28<sup>th</sup> September 2024, the Batch of 1999 from the Bachelor of Information Systems (BIS) program gathered at JSS Academy of Technical Education Noida to celebrate a remarkable milestone – the 25th anniversary of their graduation. The day was filled with nostalgia, joy, and reflection as the alumni, now accomplished professionals in various fields, returned to the place that laid the foundation for their successful careers.

#### **A Warm Welcome**

The visit began with a warm reception organized by the Alumni Coordinator along with the Dean Students Affair in the college cafeteria. The alumni were greeted with open arms, and the excitement of being back on campus was palpable. Many shared stories of their professional journeys, expressing how the lessons they learned during their time at the college had shaped their careers.

#### **Alumni Achievements**

The Batch of BIS 1999 has come a long way since their graduation. Many have risen to prestigious positions in corporate and government organizations, while others have embraced the entrepreneurial spirit, of founding and running successful businesses. The diversity in their career paths is a testament to the versatility of the education they received at JSS Academy of Technical Education Noida . Their success stories serve as an inspiration to current students, showcasing the possibilities that lie ahead for those who invest in their education and work hard toward their goals.

Among the alumni were CEOs, Directors, government officials, and entrepreneurs who have made a significant impact in their respective organizations.

#### **Revisiting the Campus**

After the welcome reception, the alumni embarked on a tour of the campus, revisiting the places that had been a significant part of their student lives. The first stop was the computer labs, where many of them had spent countless hours honing their technical skills. The labs had undergone significant upgrades over the years, reflecting the rapid advancements in technology since their graduation. Nevertheless, the alumni were delighted to see the advanced set-up.

Next, they visited their old classroom, where the layout and atmosphere had largely been preserved. Walking into the room instantly brought back memories of lectures, presentations, and group projects. Some alumni could be heard reminiscing about specific professors, challenging assignments, and the camaraderie they had developed with their classmates during their academic journey. The classroom, much like the rest of the campus, served as a powerful reminder of the formative years they had spent there, shaping both their professional skills and personal values.

### **Library Visit**

The library visit was another highlight of the tour. All alumni appreciated that the library had been updated with modern technology and infrastructure providing current students with access to digital resources and online databases. They recalled the quiet focus that the library provided during their time as students, enabling them to dive deep into their studies and develop the knowledge that would later propel them into successful careers.

### **A Sense of Nostalgia**

Throughout the tour, there was an overwhelming sense of nostalgia among the alumni. They shared stories of their time as students, reminiscing about friendships, late-night study sessions, and the thrill of exams and project deadlines. Some mentioned how they had grown as individuals during their time at the college, gaining not only academic knowledge but also life skills that helped them navigate the professional world.

For many, the college was not just an educational institution; it was a place where they developed lifelong friendships and valuable networks. The alumni spoke fondly of their peers and professors, many of whom had become mentors and guides in their professional lives.

The 25th-anniversary reunion of the BIS Batch of 1999 was a day filled with emotion, reflection, and celebration. A total of 19 alumni from this batch visited the academy. The alumni left the campus with a renewed sense of connection to their alma mater, grateful for the experiences that had shaped their careers and lives. They expressed their desire to continue giving back to the college, whether through mentorship, guest lectures, or contributing to the institution's development.
