ZEALICON-2017

ZEALICON is the annual techno-cultural festival of JSSATE, Noida. Dedicated to the celebration of creativity and science, it is a stimulating event brimming with youthful dynamism. Zealicon 2017 covered the aspects of the hysterical face of literature along with popular arts, science and technology. This edition of Zealicon promised all the trademarks of the earlier version. A plethora of events where academicians vouched out their intellect and artists show cased the best of art. Projecting the fictitious gesture onto the real world, Zealicon acted as a connecting link between fantasies and reality. Creating an aura of avidity and togetherness, Zealicon 2017 turned out to be a memorable experience for all of those who were a part of this marvellous four-day gala. The fest was off to a great start as the chief guest honoured us with his warm presence at the inauguration ceremony where the Diya lighting ceremony took place, followed by the welcome speeches. This year was also made special as we launched the Zealicon app for the first time in our college, which enabled us to receive real-time updates of the events daily. This revolutionary idea generated a lot of interest and was a huge success. The theme for this year was 'Gaming Euphoria'. A variety of fun and adventurous technical events took place adhering to the theme. There were online events which went live before the fest began and continued throughout the duration of the fest. Errata, an online treasure hunt were one of these which experienced massive participation. During the fest, Robowars, Techno hunt, NFS- LAN gaming, CS Go and Rob Olympics remained among the most trending events. Overnight events like Technovision where participants witnessed the thrill and excitement of an overnight hackathon and got the opportunity to compete and showcase their skills were one of the highlights. Zealicon was a cultural extravaganza in its most basic definition. The fest incorporated all types of events to boost confidence and showcase talents and skills of all students. The Ethnic Walk was one of the most awaited and most exciting events for all participants who were all decked up in elegant Indian ethnic wear and modelled perfectly like professionals in the ramp walk. The zeal continued to escalate with the bike stunt show which left the audience in awe with their dexterous and daring stunts. Students enthusiastically participated in dance competitions and brought rhythm and music to the fest. Flash mob gathered innumerable cheers from the audience for the coordinated and peppy performance. Another event which garnered a lot of attention was the Open Mic where

the students and speakers alike embraced their inner poets and lyricists. Zealicon filled everyone with zeal and left an indelible impression on every single heart. It turned out to be a remarkable fest, one which is going to be one of the most talked-about things for a while now and it was incredible seeing everyone take part with such vitality and enthusiasm. The mega events of the techno fest was Robowars, Robolympics, xccelarado etc. was very well conducted. Events basically consisted of manual and autonomous bots constructed by students themselves. The events so conducted to give a new exposure and enthusiasm to the students in the field of automation and robotics.

HIGHLIGHTS:

When it comes to Zealicon a Mob Flash Dance show is a must. The audience went boom with our every steps on the floor making them dance on their foot-steps. Zealicon-17 started with a fantastic opening with Mob Flash hosted by Verve-The Cultural Club of JSSATE Noida.

Still from Zealicon 2017 which clearly speaks the blast of events and fun during the fest. Zealicon has always made the youth roar with their inner artist.

Zealicon-2017 presented the intellects from the field of chess. At the end only one remained and that was the king.

Scribble Day at Zealicon 2017 was really fun with the illustrations made by the youth at fest making it a fun and happening event.
